

## SPRINT 1:

The screenshot shows the Jira Software interface for a project named 'Inventory Management'. The left sidebar contains a 'Reports' section with the 'Sprint burndown chart' selected. The main area displays a table of 'Completed issues' for the current sprint. The table has columns for Key, Summary, Issue type, Epic, Status, Assignee, and Story points. Four issues are listed, all with a status of 'DONE'.

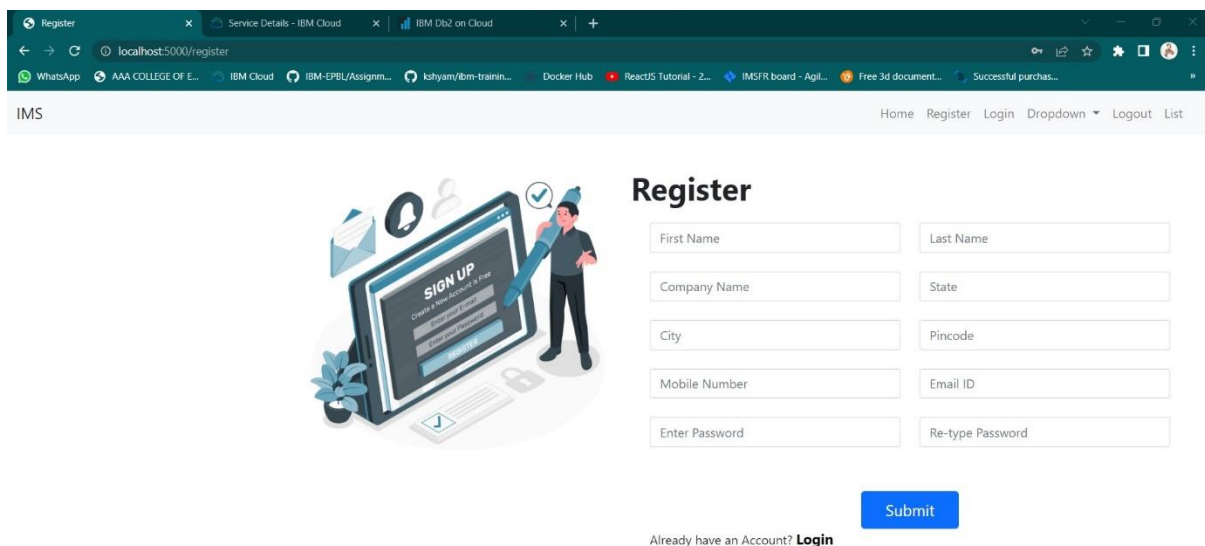

Key	Summary	Issue type	Epic	Status	Assignee	Story points
IMSFR-2	As a user, I can register for the application by entering my email,...	Story	REGISTRATION	DONE	P	2
IMSFR-3	As a user, I will receive a confirmation email once I have register...	Story	REGISTRATION	DONE	RM	1
IMSFR-5	As a user, I will confirm the registration once I have received the ...	Story	CONFIRMATION	DONE	S	2
IMSFR-7	As a user, I can log in to the application through Gmail & Passw...	Story	LOGIN	DONE	AA	2

Below the main table, there is a section for 'Issues completed outside of sprint' with the same column headers.

## USER STORIES:

**USN-1: As a user, I can register for the application by entering my email, password, and confirming my password**

Registration Page:

The screenshot shows a web browser displaying the 'Register' page of an application. The page has a header with the title 'Register' and a navigation bar with links: Home, Register, Login, Dropdown, Logout, and List. The main content area features a large illustration of a person standing next to a computer monitor displaying a 'SIGN UP' form. To the right of the illustration is a registration form with the following fields:

- First Name
- Last Name
- Company Name
- State
- City
- Pincode
- Mobile Number
- Email ID
- Enter Password
- Re-type Password

At the bottom right of the form is a blue 'Submit' button. Below the form, there is a link: 'Already have an Account? [Login](#)'.

Entering the inputs in the registration page and submitting the form:
